The Rocky River Chamber of Commerce has formed a new special interest group. It's a collaborative learning group for very small business owners.

The goal is for SOHO (Small Office, Home Office) businesspeople (startup or established) to help each other get Up and Running and/or operate more efficiently and successfully. Let's learn from each other and support each other.

WHO: All entrepreneurs in businesses with **1, 2 or 3 people**.

WHAT: Group session about what a small business needs and how to get it quickly, easily and affordably.

WHEN: 3rd Wednesday of each month 8:30 – 9:30 a.m.

WHERE: Panera Bread at 19705 Center Ridge in Rocky River, VIP room.

WHY: Because collaboration and small business growth is a GOOD thing! When working alone or with just 1-2 people, socialization with other professionals is also a good thing!

HOW: Roundtable discussions with peer-to-peer support. Mentoring from RRCC members as needed.

...**WHAT WE'RE NOT:**

- A referral or networking group, although that could happen occasionally.
- A chamber committee with a specific chamber mission in mind.
- A social group with no business agenda.
- A lecture series.
- A target market for vendors selling to the SOHO demographic.

**Please join us for our next meeting!
No RSVP needed.**
